

## **SOUTHERN OUTDOOR RESTORATION**

### **Attention Residents of Weathersfield Service Group VI:**

The Board of Directors, via your property management with Mill House Properties, has directed our company to notify residents that we will be pressure washing the townhome units, garages, front brick stoops, and wooden railings in your community June 15 – 25, 2020.

PREPARATION: Please help us ensure the best wash result possible by temporarily removing ALL potted plants, grills, cloth furniture, electronics, and breakable décor on your porches, balconies, and patios prior to your service date. We ask that you keep your windows and doors securely closed

Use this link to view details and the wash schedule for your community.
