Parking Reminders

You have the use of a garage (owned and maintained by WSG VI) and one parking space in addition to the garage. If you use more than one parking space in addition to the garage without a clear understanding and agreement with your neighbors, you are infringing on your neighbors.

Severe Weather and Your Garage Doors

Severe thunderstorms are part of our summer weather. To refresh your memory on how to manually open your garage door during a power outage, review the procedure at www.weathersfieldsg.org under the Documents tab with the heading "Guidelines for Homeowners."

The Communications Committee supplements the good work that the Block Captains do for the greater Ferrington Homeowners Association by helping our residents become better acquainted with the particulars of the Weathersfield community. These are the helpful neighbors who hand-deliver items of interest to your porch on an as-needed basis:

508-523 Joyce Brennan	524-529 Barb Sydel	530-539 Dan Green
