

WEATHERSFIELD

at Fearington Village

WSG REMINDERS: FALL, 2021 ***October November December***

Annual Termite Inspection of crawl spaces and garages is scheduled for
Wednesday, October 13.

Paving Work is targeted to begin the week of October 18

The following closes will be affected: 520-523, 524-529, 546-551 and 582-593, the entrances to 558-569, 570-581 and a curb & gutter repair at 552-557. Actual dates are to be provided as we get closer and they may vary pending weather and contractor logistics with a need for flexibility among residents.

Roof debris blowing will occur the week of 8 November, with any roof repair needs to be noted for follow-up attention.

Recycling Tips: Did you know a Chatham County Solid Waste & Recycling Center is only a few miles north of Fearington Village at 11632 US Hwy 15/501? You can drop off trash, recycling materials, batteries, bulk waste, and much more. There are, of course, rules and limits that apply. Check them out at

<https://www.chathamcountync.gov/services/solid-waste-recycling/collection-centers>

Safety Tips: For house safety, please remember to clean your dryer vents and chimneys, with frequency of cleaning depending on level of use. Left unchecked, these can become fire hazards.

Sunday, November 7

Daylight Saving Time Ends

ANNUAL MEETING This year's Annual Meeting of the Weathersfield Service Group HOA will be a "Meeting by Mail," as was the case last year due to continuing health and safety concerns related to COVID 19. Details will be forthcoming in the Homeowners' Packet which should be arriving in early October.
