WSG REMINDERS: WINTER 2022

January February March

January

- Assessment dues are increasing to \$335.00 beginning January 2022. You are encouraged to set up automatic payments through Mill House Properties' online AppFolio. For any payment type, please change the amount to \$335.00 to begin in January.
- Davey Tree will begin tree pruning around houses and over garages January 10.
- The recent work clearing our roofs showed minor damage and potential leaks that need sealing. We are getting quotes and work is expected to begin in January.
- Ruppert Landscape will continue an approximate 10-day schedule of lawn mowing, as required, perennial bush pruning, and lawn preparation through winter. Regular weekly services will resume in early spring.
- Christmas trees, leaf bags, and other garden debris will be picked up on December 28 and again in early January.
- Mulching will begin community-wide on January 17, weather permitting.

March

- Mark your calendars! The Grove will reopen Wednesday, the 16th, after daylight savings time begins. This is a great way to meet and greet neighbors.
- Davey Tree will thin Crepe Myrtle trees in the Common areas.

Ongoing Information

- Planning exterior changes or additions to your home? Please remember most changes require Architecture Committee approval. Examples include: adding ADA ramps or satellite dishes, adding gas grills affixed to your unit, and color changes to decks or doors. Check the WSG website for more details and the form to use to make your request for approval.
- **Winter Notice:** The Weathersfield Service Group (WSG) does not provide for snow removal on streets, parking lots or sidewalks within the community.
