

SOUTHERN OUTDOOR RESTORATION

Attention Residents of Weathersfield Service Group VI

The Board of Directors, via your property management with Mill House Properties, has directed our company to notify residents that we will be pressure washing community buildings, garages, and front stoops in your community **June 17th – June 27th. Weather Permitting. WE WILL NOT WORK WEEKENDS.**

PREPARATION: Please help us ensure the best wash result possible by temporarily removing ALL potted plants, grills, cloth furniture, electronics, and breakable décor on your porches, balconies, and patios prior to your service date. We ask that you keep your windows and doors securely closed. If you have a locking gate, please ensure it is unlocked on your service date or we may not be able to fully access your unit.

Use this link to view details and the wash schedule for your community.
